

7th annual ASECAP Road Safety Conference

**MAKING OUR ROADS SAFER, A PERMANENT GOAL
THE ROLE OF ROAD INFRASTRUCTURE OPERATORS**

Hotel Meliá Castilla, Madrid, Tuesday 25 March 2014

INTRODUCTION

The 7th annual ASECAP Road Safety Conference will take place Madrid on the 25th of March 2014, at the Hotel Meliá Castilla. The ASECAP Road Safety Event is organized on an annual basis and follows an established format comprising a half-day political session followed by a half-day technical session with presentations by individual ASECAP members/road operators.

The Conference will be the opportunity to actively discuss the European policies and actions on road safety and get some useful information on the state of play in different European countries. Representatives of the European Commission will present and discuss the ambitious road safety priorities and goals towards Europe 2020.

Finally ASECAP and its members will provide some interesting presentations shedding more light on the many actions and projects, in terms of both raising awareness campaigns and technological innovations, they have been carrying out to ensure the highest standards of security and safety on toll road infrastructures
