

## Massimo Schintu elected ASECAP President for 2021

**BRUSSELS, BELGIUM – DECEMBER 14<sup>TH</sup> 2020**

During the virtual General Assembly which took place this afternoon, the ASECAP members elected **Massimo Schintu**, General Director of the Italian Association of Toll Highways Concessionaires, as **ASECAP President for the year 2021**.

*“I’m delighted to congratulate Massimo Schintu on taking the helm as President of ASECAP for 2021,”* said ASECAP Secretary General and CEO Malika Seddi. *“Massimo has a thorough, consolidated and comprehensive knowledge of the transportation sector and his expertise and professional skills will undoubtedly bring added value to ASECAP, especially at this time of pandemic and economic crisis at global level, affecting a lot our sector and our businesses”.*

*“It is a great honour and privilege to serve as ASECAP President at this particular time and I can ensure the ASECAP membership that I will put all my efforts and energy in facing the new challenges ahead. As toll operators we are ready to give our contribution to implement the recently adopted EC Strategy for a smart and sustainable mobility and to highlight that tolling is one of the most efficient tools to advance transportation solutions and to help boosting the economic recovery.”* said Massimo Schintu, newly elected ASECAP President. *“I am happy to be supported by the ASECAP presidential board composed of”:*

- Immediate past president Christophe Boutin, ASFA Executive Director, France
- First Vice President, António Nunes de Sousa, President, APCAP, Portugal
- Second Vice President, Ursula Zechner, Executive Director, ASFINAG, Austria,

**ASECAP - [www.asecap.com](http://www.asecap.com)**

*ASECAP is the European Association of Operators of Toll Road Infrastructures, whose members’ networks today span more than 87,000 km of toll motorways, bridges and tunnels across 21 member countries (Austria, Croatia, the Czech Republic, Denmark, France, Germany, Greece, Hungary, Ireland, Italy, Morocco, the Netherlands, Poland, Portugal, the Russian Federation, Serbia, the Slovak Republic, Slovenia, Spain, Turkey, the United Kingdom)., ASECAP has a Supporting Partner from Ukraine.*

*ASECAP’s purpose is to defend and develop the system of motorways and road infrastructures in Europe applying tolls as a means to ensure the financing of their construction, maintenance, and operation to make the motorway infrastructure safe, first priority of the toll operators.*

*ASECAP maintains relations with relevant international organisations, the EU institutions and the industry’s main stakeholders, protecting the interests of ASECAP members regarding the deployment of a holistic cooperative transport approach.*
